## **DETAILED ACTION**

## Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael W. Kim on April 30<sup>th</sup>, 2004.

The application has been amended as follows:

In regards to claim 41, line 7, --small-- has been added between "at angles".

In regards to claim 61, line 1, "54" has been changed to --41-- to correct a dependency error.

In regards to claim 78, line 1, "74" has been changed to --69-- to correct a dependency error.

The amended claims appear below:

41. A method for analyzing a sample, comprising:

providing two lights sources;

coupling light emitted from the two light sources into a common beam;

guiding the common beam through a sample to be analyzed to generate a first signal and a second signal different from the first signal;

detecting the first signal impinging at <u>small</u> angles around the common beam to obtain a nephelometric measurement of the sample; and

detecting the second signal to obtain a spectrophotometric measurement of the sample.

- 61. The method of claim 54 41, further comprising deflection light out of the common beam.
- 78. The apparatus of claim 74 69, further comprising means for deflecting light out of the common beam.

Application/Control Number: 09/680,436

Art Unit: 2877

Examiner's Reasons for Allowance

Claims 41-52, 55-73, and 75-80 are allowed over the prior art of record for the reasons set forth in

Page 3

the previous Office Action (see paper number 12), and the reasons set forth in the amendment, filed April

20<sup>th</sup>, 2004, on pages 12-17.

Any comments considered necessary by applicant must be submitted no later than the payment of

the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such

submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should

be directed to Kara E Geisel whose telephone number is 571 272 2416. The examiner can normally be

reached on Monday through Friday, 8am to 4pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Frank

Font can be reached on 571 272 2415. The fax phone numbers for the organization where this application

or proceeding is assigned are 703 872 9306 for regular communications and 703 872 9306 for After Final

communications. For inquiries of a general nature, the Customer Service fax number is 703 872 9317.

Any inquiry of a general nature or relating to the status of this application or proceeding should

be directed to the receptionist whose telephone number is 703 308 1782.
